Geography	Maths
Art	Design Tech
Music	English
English	Languages
History	RE
Science	PE
	Outdoor Education
	Drama

Pricing of Trips: We are aware that costs for some of these opportunities may appear to be high and we will always endeavour to make them as inclusive as possible. Ski trips and foreign residential that are delivered safely in collaboration with tour companies, with transport, accommodation, entrance fees and food can become expensive. Typically a ski trip can be approx. £1200 and the Iceland residential is likely to be £1200. The French Markets residential was £475 for 2023. Whilst we will endeavour to fulfill all of the trips shown here, we will review each year to assess whether they are viable. We hope this serves as a useful indication of our plans. Where we have written VC, this means that there will be a request for a Voluntary Contribution. If we do not raise enough money to cover the cost of the visit, they may not take place. Any trip marked as a Curriculum Day trip, will take place during the school day. Some events outlined here are difficult to price in advance due to ticket costs (for example sports spectating events, musical tickets, drama performances)
