## Visiting Speaker Policy

The High School Leckhampton will invite speakers from our wider community to give talks to enrich our pupils' experience, providing them with information that helps them make decisions at different phases of their education, widening their understanding of world and global issues and providing motivational inspiration through the sharing of a speaker's experience.

Both the school and pupils greatly appreciate the time and effort that Visiting Speakers put into their presentations. Our responsibility to our pupils is to ensure that they can critically assess the information they receive as to its value to themselves, and that the information is aligned to the ethos and values of the school and British Values of democracy, the rule of law, individual liberty and mutual respect and tolerance of those with different faiths and beliefs.

The purpose of this policy is to set out the school's legal obligations when using Visiting Speakers and to set out the standards of behaviour expected from Visiting Speakers.

This policy was therefore drawn up having had regard to the Government's Prevent Duty guidance and the School's wider safeguarding obligations. The "Prevent" statutory guidance (*The Prevent Duty: Departmental advice for schools and childcare providers*, DfE, June 2015) (<https://www.gov.uk/government/publications/prevent-duty-guidance>) requires schools to have clear protocols for ensuring that any visiting speakers whether invited by staff or pupils, are suitable and appropriately supervised.

**This policy should be read in conjunction with the School's Child Protection and Safeguarding Policy.**

### The Protocols are:

- All visiting speakers to have a nominated point of contact at the school (the Organiser)
- The organiser at THSL must seek approval from the Headteacher well in advance of the intended visit. They should do this by providing the following information on a suitable proforma:
  - Brief description of the booking, including a clear outline of the presentation to ensure it is appropriate to the age and maturity of the pupils in attendance and does not undermine British values or the ethos and values of the School
  - Contact details and a brief biography for the visiting speaker
  - Name and contact details of the person making the booking
  - Group size
  - Start and end time of the event

The Organiser must conduct research on the person/organisation to establish whether they have demonstrated extreme views/actions – a biographical internet search will usually be suitable, any relevant findings should be shared with the Headteacher or Assistant Headteacher (Pastoral).

The Headteacher can then give provisional authorisation for the speaker to be booked.

- The Organiser must send a copy of the Visiting Speakers' Agreement (*Appendix One*) to the speaker in advance of their visit
- Staff must inform the Visiting Speaker that USB sticks must not be brought into School and that any presentation/material etc should be sent to the organiser in advance
- Staff must refuse to allow people/organisations to use school premises if they have links to extreme groups or movements. Justification of the school's decision will be provided to the person/organisation in writing
- The Visiting Speaker must sign in and out at reception and follow the school's safeguarding procedures. They will receive a 'visitors' lanyard and HSL's safeguarding leaflet. A member of staff should meet them in reception and take them to the appropriate destination
- The Headteacher's PA will keep a formal register of all visiting speakers. Any information gathered will be kept in accordance with the School's Data Protection Policy
- Visitors to provide photo ID upon arrival at school, the Organiser should check this and verify the Speaker's identity
- Visiting speakers are to be accompanied at all times and are not to be left unsupervised with pupils at any point
- In the unlikely event that the talk/presentation does not meet with the requirements of the Visiting Speaker Agreement, School staff have the right and responsibility to interrupt and/or stop a presentation
- After the presentation, an evaluation should be completed by the Organiser which will include feedback from staff, note any contentious subject areas or comments, and state whether the speaker could be booked again in the future. Once a person has visited a school, future checks should be proportionate. This evaluation should be passed to the Headteacher's PA who will keep all records pertaining to Visiting Speakers in accordance with the School's Data Protection Policy
