Where did you start...how far have you come?

The first day in September..

September 2023

Y9 Trip to Harry Potter Studios - September 2023

House Crest Design Winners - September 2023

RRSA Enrichment Day 5th October

Cheltenham Literature Festival 2023

We had a busy and exciting week visiting the Literature Festival with our pupils for lots of different events: half of the Year 9 pupils got to experience 'Battle of the Books'; a debate between local secondary schools about books that have impacted them and the other half of Year 9 heard from author, director and screenwriter Manjeet Mann talking about her new book 'Run, Rebel'. Then, Year 7 heard from Julian Sedgwick and Chie Kutsuwada about their new book '100 Tales from the Tokyo Ghost Café' and saw the Manga artist at work producing some fantastic artwork. The pupils had an excellent time hearing from such interesting and inspiring authors and were a credit to themselves and the HSL community.

Y7 and Y9 Literary Festival Trip 2023

OCTOBER 2023

ISSUE 2

MFL- Modern Foreign Languages

Día de los muertos

We are also currently running our Day of the Dead competition, students are being introduced to this festival and are entering their impressive designs of brightly coloured and spooky 'calaveras' (Skulls). They have until November 10th to hand in the design. Epraise points will be awarded to all who enter and prizes are up for grabs for the most impressive!

Eco Update

ISSUE 2

Eco-Schools Action Plan 2023-2024

“Teach the Teacher”

1. Make at least one journey more sustainable

2. Go plastic free for a day

3. Have a no food waste weekend

4. Turn down the heating by 1°C a week

5. Design a light tree habitat

6. Say 'no' to screen time

7. Donate something you no longer need

8. Collaborate & create for 4 showers and hold them for 4 minutes

9. Share without saying 'uh-oh'

COMPLETE BY _____

WE'RE TAKING PART IN **CUT YOUR CARBON**

Throughout November, we're challenging all pupils to complete 9 small, carbon-cutting actions, at home, with the help of friends and family.

Completing these challenges will raise awareness, change behaviours, and cut carbon - a greenhouse gas responsible for driving climate change.

All pupils will bring home a checklist on November 1st, outlining the simple, easy-to-deliver actions. This will help you to tick them off throughout the month.

THE TIME TO ACT IS NOW.

IT'S TIME TO CUT YOUR CARBON!

Find out more!
