The High School
Leckhampton
PRORSUM SEMPER

By working together,
Leckhampton High School &
Universal Uniform
could prevent

22,500

2ltr plastic bottles from going
to landfill.

That equates to
over 23 UK
households
annual plastic
waste saved
from going to
landfill.

The bottles saved from landfill through
each garment include:

18 bottles

5 bottles

The length of plastic
bottles that
LECKHAMPTON
HIGH SCHOOL
could save, when put in
a line, would equate to:

By using recycled
plastic, you have
saved:

5 barrels
of oil

1.5
ton of
CO₂

The height of
6,000
children
(based on the average 12 year old)

Climb up
& down
THE
SHARD

14
times

The length of
2,000
cars in a continuous
line.
