Thursday 22nd October 2026
- * **Year 11 Spain Trip**
Friday 23rd October - Monday 26th October 2026
- * **INSET Day - School closed to pupils**
Start of half term
Friday 23rd October

Dear Parents and Carers,

Welcome to our first newsletter of the new academic year.

It has been a really positive start to term at HSL. Our new pupils and staff have settled in extremely well, and it has been lovely to see everyone getting back into the rhythm of school life, with learning, clubs, trips, fixtures and all the other activities that make HSL such a busy and vibrant place to be.

This edition is a particularly special one as we celebrate the results of our first ever GCSE cohort. We are incredibly proud of what our students achieved and of the hard work, determination and commitment shown by them, their families and our staff. Reaching this milestone is a significant moment for HSL, and it has been wonderful to celebrate the achievements of our first Year 11 cohort.

Thank you too to all the parents and carers who attended our Year 7, Year 10 and Year 11 information evenings. We hope you found them useful and informative. We have been particularly pleased with the way our Year 11 students have engaged with revision and their preparations for their GCSEs. They have made a really positive start and are showing a great deal of commitment to their studies.

I would also like to say a big thank you for your support with our new mobile phone expectations. We appreciate that this has been a change for families and students, and your support in ensuring your child does not bring their phone to school and in helping us establish the new routines where they have an exemption, has been greatly appreciated. Please remember as these are now prohibited items, any phones that are seen by staff will be confiscated and sanctions will be issued in line with our behaviour expectations.

Thank you also to all those parents who have gone out of their way to make alternative arrangements for collecting their children rather than using the drop-off point at the end of the school day. This has been a particularly tricky issue for us over the last few weeks as we have worked to manage congestion and safety around the school site. It is important that car journeys to school are limited where possible, so those families who require accessible parking have priority.

There has also been good progress with the school field. The work was delayed over the summer because of the exceptionally hot weather, but the contractors have made good progress as the weather has become cooler. We are now just awaiting confirmation of when we will be able to use the field again. In the meantime, we have continued to provide the full PE curriculum and have worked hard to arrange fixtures and alternative opportunities at other schools. A huge thank you to our PE department for their flexibility and commitment, and also to our students, who have been incredibly patient and positive despite the delays. For parents just joining the school I would like to clarify that this was not an issue created by the school, and we have worked tirelessly with the local authority and contractors to get it resolved, without additional cost to the school.

There is plenty to celebrate in this edition. I particularly enjoyed Max Wilkinson MP's visit to HSL, when he met our Active Travel Ambassadors and found out more about our work to promote active travel and sustainability. This edition also celebrates our Eco-Schools Green Flag with Distinction, our Modeshift STARS reaccreditation, sporting successes across a range of teams and the continued work of our Rights Respecting School group.

Thank you, as always, for your continued support. There is lots happening at HSL and plenty to look forward to over the coming weeks. I hope you enjoy reading about some of the many things our students and staff have been getting involved in.

With best wishes,
Mrs Helen Wood
Headteacher

PTFA Preloved Uniform & Lost Property

Lost property is available to view on the following dates:

28th-30th September
20th-22nd October

The PTFA will be running a Preloved Uniform Sale on Tuesday 29th September between 6 and 7pm. This is a great opportunity to purchase good-quality, affordable uniform.

If you have any outgrown uniform in good condition, donations are very welcome and can be dropped off at school reception. All proceeds go back into supporting our school community.

GCSE Results Day

The Art and DT Department would be very grateful for any donations of the following items:

White natural fabrics (cotton, linen, wool, calico, muslin)

Bubble wrap

Textured wall paper

Netting from citrus fruit

Corks

Maps

Sheet Music

Art or Fashion magazines

Wallpaper sample books

Fabric sample books

Rusty Objects

Clear plastic storage boxes

NEWS FROM HSL PTFA

parents • teachers • friends

Your PTFA: Making a Difference

A very warm welcome to everyone as we start the new school term, and especially to all our new Year 7 parents and carers! It was fantastic to welcome so many of you to the Year 7 Icebreaker Disco recently. The students had a brilliant evening, and it was lovely to see so many parents and carers staying to enjoy the evening.

A HUGE thank you to everyone who also volunteered their time to help make the evening such a success. Events like this simply couldn't happen without our wonderful volunteers - and thanks to everyone's support, we also made an amazing **£1,000 towards our fundraising!**

A Fond Farewell & A New Opportunity

We'd like to say a huge thank you to Janice Taylor, who is stepping down as our Treasurer after five fantastic years. Janice has played a huge part in setting up and managing the PTFA finances from day one, and we're delighted that she is leaving us in such a strong position. We'll miss you, Janice - good luck with all your hobbies!

Now we're looking for our next Treasurer! You don't need to be a finance expert - just organised, reliable and willing to help. If you'd like to join our small, friendly team, please speak to a committee member or email chair@hslptfa.org.uk.

We have lots planned for the year ahead, including some exciting fundraising projects, why not come along, get involved and help us make a difference. **Here's to another fantastic PTFA year!**

We say farewell to Janice Taylor (bottom centre), our Treasurer, here with some of our brilliant PTFA volunteers.

Did You Know You Are Already Part of the HSL PTFA?

If you're a parent or carer at the school, you're already part of our Parents, Teachers and Friends Association.

*There's no need to join a committee or make a big commitment - you can volunteer for an hour, support a fundraiser, share our posts or simply come along to an event. **Every bit of support makes a difference.***

Diary Dates

Join us for our PTFA AGM

Tuesday 29th September, HSL, 7.30-9pm

Come along to the High School Leckhampton to hear what we've achieved this year, find out what's planned for the year ahead, and see how you can get involved.

Everyone welcome! 🙌

Preloved Uniform Sale!

Tuesday 29th September, 6-7pm, HSL Sports Hall Balcony

Don't miss our first pre-loved uniform sale of the school year! If you have any unwanted uniform items, please drop to Reception or bring them to the sale.

GCSE exam results - HSL students achieve outstanding results!

As we begin a new school year, I wanted to share some more detail about the achievements of our first ever Year 11 cohort at The High School Leckhampton. Their GCSE results mark an important milestone for our school and give us a great deal to celebrate. As part of the HSL community we hope you will join us in celebrating their success and that you can take pride in what our school is achieving.

Most importantly, I hope these results give you confidence in the high expectations we have for our pupils and in what they can achieve during their time at HSL.

When families choose a school, they place a great deal of trust in it. We want you to feel confident that choosing HSL means choosing a school which knows and values its pupils as individuals, but which is also highly ambitious for what they can achieve. Our first GCSE results provide very strong evidence of this. They reflect our values: knowing our pupils well, encouraging them to be ambitious, and continually striving for excellence.

In summary, we are delighted to say that our Year 11 students achieved excellent results across the whole curriculum, achieving grades that are significantly above the national picture in every measure that the Department for Education report on. The average grade achieved by HSL students across each of their GCSE subjects was around a grade 6, compared with a national average of around grade 4.7.

Particularly pleasing was the number of students achieving strong grades (5+) across such a broad range of subjects. 86% of our students achieved grade 4 or above in both English and Mathematics, compared with 66% nationally, while 67% achieved grade 5 or above in both subjects, compared with 47% nationally.

Our students also achieved an impressive number of the very highest grades. 35% achieved grade 7–9 in at least five GCSE subjects, more than double the national figure of 17%. Several pupils achieved mostly grade 9's, achieving grades comparable to any selective school. These are results of which our students should be enormously proud.

However, perhaps most important to us is the progress our students made from their individual starting points. There are no 'official' performance measures this year as our Year 11 students did not sit KS2 SATS in Year 6. However, we use Fischer Family Trust (which allows us to compare our results with approximately 1750 secondary schools) to analyse outcomes against CAT4 testing we did with pupils in Year 7. Early analysis by FFT indicates that HSL is amongst the very highest-performing comprehensive schools for pupil progress of all their schools - achieving a progress score of 0.8 and putting us in the top 4% of all schools. This matters enormously because excellent schools should not simply achieve strong headline results; they should help every young person to achieve more than might otherwise have been expected of them. It is a powerful reflection of the ambition of our pupils, the expertise and commitment of our staff, and the importance we place on knowing our young people individually and supporting them to fulfil their potential.

GCSE exam results - HSL students achieve outstanding results!

Of course, GCSE results are about much more than statistics. Behind every grade is an individual student, and we are immensely proud of the resilience and ambition shown by this pioneering year group. Their results have enabled them to progress to an exciting range of destinations, including some of the most competitive sixth forms and post-16 providers, where they will study a wide variety of A levels and other courses. One of our students is off to GE Aerospace after having been awarded a place on their highly competitive apprenticeship.

As our first cohort, Year 11 have shown what is possible at HSL. We hope these results give current and future families real confidence that students can achieve the very highest grades here, while also benefiting from the relationships, wider opportunities and strong sense of community that are so important to us. Academic excellence and knowing our pupils as individuals are not competing priorities: we believe the two go hand in hand.

We remain hugely ambitious for HSL and certainly will not be complacent. We are already looking carefully at this year's results, celebrating what has worked particularly well and identifying where we can become even stronger. Striving for excellence means always looking for the next improvement, and we want each successive cohort to benefit from everything we learn.

For now, however, the overwhelming feeling is one of pride. Our first Year 11 students took a leap of faith when they joined our brand-new school five years ago. Their families did too. Together, they have helped shape HSL into the school it is today, and this summer they have demonstrated just how much our pupils can achieve.

I hope that, as members of the HSL family, you will join us in celebrating their success and feel very proud of what our school has achieved.

Many thanks for your continued support.

Mrs Helen Wood
Headteacher

U13s Hockey A team

Lost 4-3 - Player of the match - Camilla Jones, Coaches' player - Annabelle Aspinall

Our hockey match against Pates was a great match and everyone played really well. I scored a hat trick which I was really pleased with! While Ivy made some strong tackles in defence. Evie was also really good in defence and Anna did some good running up the wing. Rebecca was really good at attacking and Iris made some excellent saves. Heidi did strong powerful passes, and Camilla was good at tackling and getting into space. The final score was 4-3 to Pates, they scored the winner in the very last minutes of the game. Overall everyone was a very valuable player on the team, it was a true team HSL effort!
- Annabelle Aspinall 8CH

U13s Hockey B team

Lost 2-1 - Player of the match - Lily Adamthwaite
Coaches' player - Katie Duncan

On Tuesday we played Pates in a hockey match. Katie was captain and played centre forward. Lily played centre midfield and had a really good game. Poppy played midfield/upfront with Tamsin and Sophia, Maggie and Millie played in defence. The defence worked hard and were good at tracking back. We scored first when Poppy put a pass into the D and drew the GK out before scoring. Pates equalised when our defence had to push too far forward and then scored another goal in quick succession. We all played well and most importantly improved as we went along. We are hoping to recruit a Y8 goal keeper for our team!
- Katie Duncan 8WI2

U12s Hockey

The U12's have had an incredibly successful start to their hockey here at HSL. We hosted Pate's Grammar School this month and have played away at Balcarras School too. Our trip to Balcarras was an impressive display of the potential this year group have, winning both matches 6-3 and 6-0. We have had an interrupted training schedule due to Open evening and various fixtures, but we are still looking for more players to get involved and we are desperate for **Two Goalkeepers!** Even if you haven't played in goal before we will support you with all you need to know, please come and see Mr Powell-Jones if you are keen to give it a go!

Clubs

Clubs have been jam-packed this week with lots of students attending, morning, lunch and afterschool sessions. Please remind all students they are welcome to come to a club even if they haven't yet attended one.

Netball:

U14 Sisters in sport v St Peter's High School 15-14 win!

The U14's took to the court in their first game of the season against a tall and athletic St Peter's side. Our young squad worked tirelessly throughout the game to ensure that we stayed in the running. 6-3 up after the first quarter gave us the confidence to pass the ball through the court quickly and access the shooting circle to our amazing shooters Liv and Bea. In the second quarter, with a few changes, we took time to settle and came off just one goal up. A few errors which we quickly learnt from, put us back in the lead by four goals at the end of the 3rd quarter.

Isabella literally ran into a door to chase a ball, Felicity tried so hard for an interception she almost took out the bench and Liv kept a ball in off the back line that no arm should have been able to reach!!! St Peter's did not give up, with a full balcony cheering them on with each goal they drew closer to us than we thought they would. Ending up in a draw at full-time which meant golden goal. In this competition the ball is taken from where it is on the court and literally the next goal wins. Our girls had the ball in our shooting D and Bea popped up a brilliant shot to win us the game. Each player gave everything in this game, whether they were on the court or on the bench. A fantastic result and exciting things to come from this team! Attacking player of the match was Isabella G and defender was Eden R. Coaches player goes to Bea who held her nerve all the way until the final whistle.

U16 Sisters in sport v Westonbirt 24-20 win!

The U16 girls travelled to Westonbirt near Tetbury for their round 1 match in this new competitions for us. The Sisters in sport run a knock-out competition that allows schools to compete in various tiers. This first match was a taste of what the competition offers for the girls.

From the outset it was a very closely fought match. Contributions from Bo feeding some great balls into the circle and some excellent shooting from Hattie H and Imogen set the tone for the game. Our defence worked tirelessly against an accurate shooting pair to turn the ball over when we really needed it. Amelia played a great WD with some excellent through court support play. With a squad of 11 and everyone contributing a half game at least this was a really promising display by the girls as we progress into the next round and await to hear who we have as opponents. Congratulations to every member of this squad.

Table Tennis

We are off to Marling on Monday 28th September to compete in the Gloucestershire schools table tennis tournament. We are hoping to grow our table tennis here at HSL over the next few months, hosting our own internal events as well as all the students who actively play every break and lunchtime on our outside tables. Keep an eye out for the sign up sheet!

Old Pats Rugby

Old Pat's Rugby Club started last week (Monday 21st September) we had awesome numbers and the coaches had a great time working with some experienced rugby players in Year 7 & 8, whilst also working with students who have never played the game before. This club is still available for students to sign up to, with the SCO-Pay portal now open for parents to sign their students up. Any questions please get in touch with one of the PE team or send your budding rugby player down to PE for a chat at break or lunchtime.

Individual Sporting Success

A huge well done to Oliver Bamber in 7IS and Pablo Juelas Castro in 7WI who recently competed in the County Cup Tennis tournament.

Swimming Gala

For the first time HSL entered the district relay event at CLC health and fitness centre against schools from all around the district. We entered teams at the U13s and U15s age group, so some swimmers swam up an age group to compete in the relevant categories which was a great achievement in itself. Across the board there were some highly placed teams which was really impressive. HSL also now have a district record in both the Mixed Front crawl relay and the Mixed Medley relay which is a fantastic achievement from those who raced in those events.

Overall, it was a fantastic event and considering it was the first time we entered this format all swimmers can be proud of their swims.

Mrs Bull and Miss Barratt, Lead Teachers of the Rights Respecting School Award

We are incredibly proud to be a Gold Rights Respecting School. This means that children's rights are embedded in the life and values of our school: students learn about their rights, experience those rights being upheld and explore the experiences of children around the world. Importantly, they also consider how we can take action to help all children access the rights to which they are entitled.

Each year, our students nominate and vote for two charities connected with children's rights: one working internationally and one based in the UK. This year, they chose Médecins Sans Frontières as our international charity and Guide Dogs as our UK charity.

Throughout the year, we have raised money for these organisations through a variety of activities, including our non-uniform day and, of course, the sponsored walk at the end of the last academic year. If you still have any outstanding sponsorship money, it is not too late to contribute.

Donations can be made through Scipay until Monday 5 October. We will then be delighted to share our final fundraising totals with you.

As we begin the new school year, I am stepping down from my role as lead teacher for the Rights Respecting Schools Award. It has been an absolute privilege to lead this work, and I have thoroughly enjoyed helping to embed children's rights within our school community.

I am delighted to be passing the leadership of the award to Mrs Bull and Miss Barrett, who have already made an excellent start in ensuring that children's rights remain front and centre. Mrs Bull will lead our work on rights across the curriculum, while Miss Barrett will work closely with students through our newly formed Rights Respecting action group.

I know that the award is in excellent hands, and I look forward to seeing this important work continue to develop and flourish.

- Mrs Cox

Action Committee Literature Festival meeting

On Wednesday 16th September the Action Committee Team joined together to discuss ideas for a teen space at The Literature Festival in Cheltenham. This was because the lady running the teen space wanted ideas from us, the children, about how to make the experience more fun and exciting. This meeting went on for around 40 minutes and we discussed a range of ideas like: a craft space to make book marks, origami and poems/writing stories, giant board games and many more ideas. The lady loved our suggestions, she wrote them down and took them all into consideration.

Nola Rowlands 7LB2

HSL Author Visit - Lauren St John

On Friday 25th September, we were delighted to welcome acclaimed author Lauren St John to HSL. Speaking to our Year 7 and Year 8 students, Lauren shared insights into her newest novel, *Wild Horse Summer*, as well as the experiences that have shaped her writing, including her childhood in Zimbabwe and time spent at an animal rescue centre. Students were fascinated by her stories and gained a valuable insight into the life of a professional author and the creative process behind writing a novel. The visit was an inspiring experience that encouraged a love of reading, writing and storytelling.

Mrs Mitchell

Student Reviews:

"I found the talk really interesting because I love animals...it really helped me because I want to be a vet when I'm older."

Daisy Hobbs 7CH2

"I thought the author talk was really inspiring...its amazing how Lauren St John grew up in Zimbabwe and that's what inspired so many of her books...I can't wait to read her books."

Ivy Young 7CH2

"I liked her story, it was very wholesome and cool how she took in lots of animals and loved horses."

William McKenna 7CH2

Supporting Families - The Wellbeing Hub - October 2026

We are very fortunate to be members of the Wellbeing Hub, an excellent online resource providing families with access to a wide range of articles, podcasts, blogs and practical resources on topics relating to children, young people and family wellbeing.

The theme for October 2026 is empathy and social skills, with a wealth of resources exploring how we can support children and young people to develop positive relationships, understand others and build their empathy skills.

This month's resources include:

Menopause Awareness Month

Understanding adolescents' use of AI companions

Empathy in children and how we can help young people to develop empathy

Building relationships and social skills

Cross-group friendships and the benefits of developing friendships with people from different backgrounds

There is also a whole host of useful downloadable resources in the Social Stories section, which may be particularly helpful for families of students in Year 8 and above.

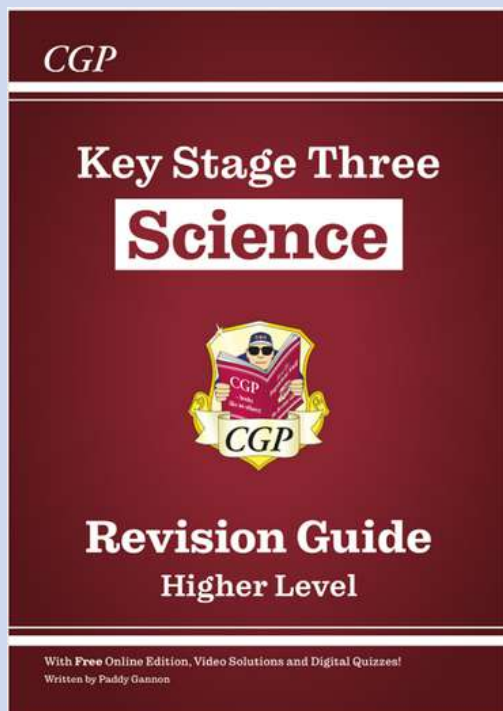

All of these resources are available through the Wellbeing Hub, which can be accessed via our VLE, Firefly.

For families who are new to HSL, we will be contacting you shortly with details of how you can access the Hub and log in for the first time.

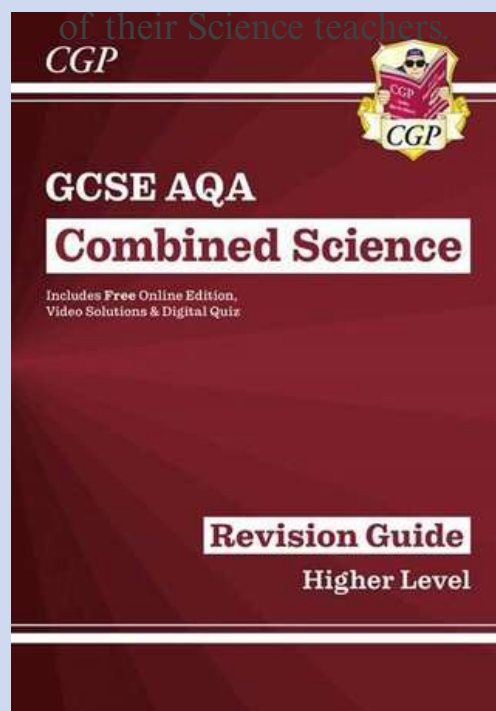

We hope you find the Wellbeing Hub a useful resource and that you enjoy exploring some of the support and information available.

Science Revision Guides

Every Year 7 student will soon be receiving a numbered red CGP KS3 Science Revision Guide from their Science teacher.

Every Year 10 student will soon be receiving a numbered red CGP GCSE AQA Combined Science Revision Guide from one

Please encourage your child to use their Revision Guide at home to complete their homework, review what they have learned in their lessons, and revise for their assessments. More information regarding how to revise and which page numbers to use can always be found on the VLE (Firefly) in the Task Description for the homework or assessment.

The school will collect these Revision Guides back at the end of Year 9 and Year 11 to pass on to the new cohort of Year 7 and Year 10 students. Students have been told to keep them safe and avoid writing in them at all.

If you would like to purchase your child's copy of the Revision Guide, you can do so via Scopay.

If your child has lost the Revision Guide and needs a replacement, please contact the school to let us know.

Our application received the following feedback from our Eco-Schools assessor:

Your greatest overall success:

The launch of the Wak2Win campaign, which pupils designed and delivered with real eco-energy and pride. The Eco-Committee created an impressive video and PowerPoint to introduce the idea, collected weekly step-count data and rewarded pupils from the winning tutor group with meal tickets, which made pupils genuinely more likely to walk to school.

The launch of the Wak2Win campaign, which pupils designed and delivered with real eco-energy and pride. The Eco-Committee created an impressive video and PowerPoint to introduce the idea, collected weekly step-count data and rewarded pupils from the winning tutor group with meal tickets, which made pupils genuinely more likely to walk to school.

- Your school has created some really meaningful eco-curriculum links this year, and a great example is the Careers and the Climate lesson, where pupils explored how different jobs can help tackle climate change. This encouraged pupils to see themselves as future global citizens, and it brought a strong sense of purpose to eco thinking across your school.

with pupil contributions, eco-assemblies, tutor presentations and enrichment days have all helped pupils feel part of something meaningful, while posters, emails and student-made videos have kept eco messages visible and positive. This simple, consistent approach has created a strong eco-spirit across your school community.

Miss Kennedy would like to thank all who contributed to our application, especially Ms Agombar and the Eco-Committee. We look forward to achieving even more this academic year as we start work on our 2027 Green Flag application.

At The High School Leckhampton, we are committed to looking after our environment and building a sustainable future for all.

Please see below for a list of what we do at HSL to protect our environment:

- Walk or cycle to school
- Turn our engines off in our car park and drop-off zone
- Bring our own reuseable water bottle to school
- Finish every meal we eat
- Eat less meat
- Use less plastic
- Pick up any litter we see
- Recycle the correct items in the correct bins
- Avoid wasting paper, water and energy
- Turn off electrical appliances (e.g., lights, computers, monitors) when not needed.

The Eco-Committee meets every Wednesday at 1:30 pm in GW3 if students would like to get involved.

All staff, students, parents and governors, and trust and community representatives are invited to attend Green Group Meetings once a term.

In Green Group Meetings we discuss the work we are doing to raise awareness about protecting the environment and drive sustainable initiatives involving our whole school community as part of the Eco-Schools programme.

The next Green Group Meeting will take place on Monday 19th October in the Library from 15:45 - 16:45.

HSL's Active Travel Ambassadors achieve the Modeshift STARS reaccreditation and host the MP for Cheltenham!

The High School Leckhampton is delighted to have been reaccredited as a Modeshift STARS school and our travel plan has been judged at an 'Excellent' level - this is the highest level we have ever achieved! Thank you to our Active Travel Ambassadors for their hard work last academic year.

Following our reaccreditation, our Active Travel Ambassadors gathered to host Max Wilkinson MP who visited HSL on Thursday 17th September to find out more about what we have done as a school to promote active travel as well as all our other sustainable initiatives.

For more information about the award please see <https://modeshift.org.uk/modeshift-stars/>

Making healthy school lunches easy!

Helping children make healthier choices at school doesn't have to be complicated. A few simple changes can build healthy habits and help your children stay energised and ready to learn throughout the day. Here's a few tips to help you get started:

Tip 1:

Pack some healthy snacks

Including a healthy snack in your child's lunchbox, like a preferred fruit or plain popcorn, can help them stay energised throughout the school day and make nutritious choices easier.

Tip 2:

Know what options are available

Take a look at your child's school lunch menu together and talk about the healthier choices available. Exploring the options in advance can encourage children to try new foods and make balanced choices at lunchtime.

Tip 3:

Talk about healthy choices

School lunchtimes can be a great time to encourage independence and positive decision-making. Agree simple goals together and celebrate healthy choices throughout the week.
